### 2019 events

On behalf of the committee, I would like to thank all the organisers of both the Group and Open Events for their hard work in providing a varied programme of races for the membership.

### Marshals

Once again, we had a poor response to our organiser's request for marshals for this year's events, it is important members understand if this trend continues there will be a loss of events, thus less opportunities for racing. Please support our Organisers by offering to marshal, ensuring their events can be run in a safe and effective manner as possible.

### Provisional 2020 events
