

Membership Secretary's Report 27th November 2021

There has been a steady flow of new members joining the Group this year, 63, making the Group Membership now 406.

Unfortunately, a large number of members have left the Group , 47, of which, 26 have allowed their membership to lapse and 14 have resigned, 3 have transferred to other Groups and 4 have sadly died.

Two of our members have been made Honorary Life Members during the year, Bill Broadfield and David Jones. Congratulations.

This year 32 Members paid their Subscription by Bank Transfer, and 343 with the New National Website, 23 still paid by cheque. This has resulted in a great saving of time spent processing cheques.

Since the 1stOctober 18 members have renewed their membership on-line, and 2 by Bank Transfer.
