

Time Trial Secretary's Report

We have had a full programme of events this season, even though we couldn't use the E2 for any event over 10 miles due to roadworks, fortunately London North district CTT came to our aid and let us put all our events over 10 miles on the F2 courses, this was mainly down to the help of Chris Dyason.

We have a good programme of events for 2022, thanks to the organisers for volunteering to run them, we still struggle to get marshals, so if you can help, please email the organisers in advance of me having to put an email out pleading for volunteers.

Chris Dyason is running the National VTTA 25 championships in September next year on behalf of the Group so please help Chris make it a special event.
